

## Press Release

Release Date: Immediate

### Medalist "Cheyenne" Series

The "Cheyenne" shirt is perfect for early, to mid season hunts, or as a layering piece for extreme conditions later in the season. The "Cheyenne" shirt and pant are quiet; provide protection against the wind and the Silvermax lining allows for undetected Scent-Free protection. The care instructions are simple and after 250 washings, virtually no reduction in performance.

The Cheyenne shirt and pant are available in the NEW Mossy Oak Treestand pattern.

The Cheyenne series is also available for women in the Mossy Oak New Break Up Pattern.
